

Alejandro Flores

February 7, 1989 - September 15, 2019

Alejandro Flores was born February 7th, 1989 to Norma Escobar and Eladio Flores and passed away unexpectedly on September 15th, 2019 at his home in Aurora, Colorado. Alex was a wonderful, caring, and loving son and brother and he was also an amazing friend to everyone who had the pleasure of knowing him. One of his most beloved traits was his sincere love and respect for his family and the way he always did anything and everything he could for them. As a big momma's boy, Alex and Norma shared a truly special bond and relationship. Something people may not know about Alex, but he would have wanted you to know, was that he was a chef and he was extremely proud of this accomplishment and truly loved the work he did. He will always be remembered as being extremely caring, loving and generous; the kind of man that would never hesitate to give his last dime to anyone else in need. He took great pride in being able to help people and truly be there and support the ones he loved. Laughter and silliness were always easy with Alex - he could make you laugh no matter what kind of mood you were in and was constantly joking and being a prankster. Whenever Alex was in the room there was never a dull moment, he will be remembered as the man who's energy would instantly lighten everyone's spirit! He will be missed more than words can say! He is survived by his mother Norma Escobar, his father Eladio Flores, his older brother Robert Flores, older sisters Claudia Loera, Micaela Mashaw, Evelyn Rios and his younger sister Gabriela Flores, along with his nieces and nephews Maria Flores, Sydney Flores, Flor Loera, Salma Mestas, Daniel Colindres Flores and Zaira Colindres Flores.
