

## Anita Dee Roybal

March 2, 1969 - December 15, 2021

Anita Dee Roybal, age 52 of Thornton, Colorado passed away December 15th, 2021. She was born in Denver, Colorado on March 2nd, 1969, to Della Ornelas. Anita's world revolved around her family and friends. If there was a problem she would try to solve it the best way she knew how. She was a provider even in the worst of times. At a young age Anita met her soul mate Ronald. They were inseparable like young teenagers. Anita always put her children and grandchildren first. She even started working at their elementary school to keep an eye on her children. (Haha) She enjoyed teaching and treated each student as if they were one of her own. Anita's soul was pure and rich and that's why she is loved by so many.

She is survived by her husband, Ronald Roybal, and their children, Joseph, Veronica, Debbie, Denise, Lencho, Nicole Roybal, and Steve Nevilles. Her grandchildren, Haley, Jacob, Adella, Alanna, Amari Roybal, and many other loving family and friends that will miss her greatly. Anita is preceded in death by her mother, Della Ornelas, and Susie Montoya.

Funeral Services will be held at Romero Funeral Home on 4750 Tejon St., Denver, Colorado (right next to Remington elementary school where Anita was a teachers aid.) On Monday January 3rd, 2022 at 12pm-3pm in the afternoon with a reception to follow at another location

“ *My beautiful mother, all the memories of you, warm my heart. There's so many but one sticks out. On Debbie's and mine birthday , you were always the first one to say "happy birthday." When were younger you would come in our room at midnight, singing "happy birthday" while giving us something sweet. This was the first year my beautiful mommy didn't get say it. I'm sure going to miss that.* 💜🙏
