“ My heartfelt condolences to all Flora's family. My special condolences to my Sister Viola at the loss of her daughter.  
I will truly miss Flora's presence. She could laugh at the drop of a hat..she would often say the words,"You're so silly!!". I'm gonna miss those Aunty hugs where I'd hug you tight and long just so I could smell your long hair...so clean and fresh all the time. I'm gonna miss that swag in your walk and your deep sultry voice! Girl! I'm gonna miss everything about you.....love forever, Aunty Paulie. AKA Toddy
