

Frank Joseph Hernandez

March 15, 1983 - August 12, 2021

It is with great sorrow to announce that Frank Joseph Hernandez, left this world unexpectedly, at age 38 on Thursday, August 12, 2021. Born at Lutheran hospital in Wheat Ridge, Co. March 15, 1983. He attended Sabin Elementary school and John F. Kennedy High School.

Frank, loved Baseball (Boston Red Sox), Music, Cars, Fishing, the Outdoors, Camping, watching Movies with blaring Surround Sound, and finally Cooking (exquisite Chef) on the Grill in his backyard, he loved to light a Fire Pit just sitting in the back or front yard with his Spouse, Children, and Parents.

Those who knew our Son Frank, even just a little, know he took a little part of your heart with him. Family was the pivotal essence of Frank's life. One of his Tattoos was the initial FAC (FAMILY ALWAYS CONQUERS).

A wonderful encounter for our Son was meeting his future wife, Jazmin. They both met while working at RMO in 2014. They married on June 11th, 2018. Both being nervous, Kathy found out by finding the Wedding Certificate in the China Cabinet. Frank & Jazmin finally told me on Christmas Eve of the same year. They were inseparable cherishing every moment they had together. Frank told Jazmin when proposing to her that he would like to have a life together just like his Mom & Dad. God bless you Son rest in peace.

Life's Journey was very challenging for our Son. Many obstacles were thrown his way. He fought hard, never giving up. He would fall and lift himself up. His perseverance in living despite the hellish state he encountered on his endless journey down the road of life. He beat death at its own game many times. His Mom always said, Frank has nine lives. His Guardian Angel was with him on his journey.

Frank, was tired now and he couldn't fight anymore. Someone told me, that while Frank was sleeping, God came and took our Son up to heaven where he is in peace.

Frank, loved animals! He had a Snake, Gecko, Fishes, a Tortoise, which Frank said would out live us all, how Ironic. Frank and his spouse Jazmin, they secretly kept a Gerbil not telling his mother. Frank and his loving dog BRONX had an unbelievable relationship. Their love for each other was mutual. When watching Frank and Bronx play together was priceless.

Frank, will be missed everyday survived by his wife Rocio Jazmin Hernandez, Children Nancy, Angelina, Santino, Brooklynn, Stepsons Alvin, Edwin, and Isaiah, Stepdaughter Mariah, Father Joseph Hernandez, Mother Katherine S. “ Knowing my nephew Frank he is smiling with joy knowing his pain is gone and he's free as an angel. His grandparents where there to receive him with open arms. I will miss seeing Frank come upstairs when we come to visit his smile and his big hug he would give me and I in return. Frank did love one KC team and that the Royals. I can go on and on about Frank but 1 thing I would always say to him before I would leave to head back to home when I would give him a hug was "Be Good Do Good and I love you mijo."
My condolences to my family, Frank will forever be in our hearts 💕💕

“ I had the joy and privilege of working with Frank for almost 2 years. He always made me laugh and I looked forward to seeing him every day. We became the unlikeliest of great friends and even after he left our workplace, we remained in touch and could talk to each other about anything. I was heart broken to hear the news of Frank's passing. I will never forget the memories we made while working together and will always hold them near and dear. My deepest condolences to his wife, kids, and parents. I know how much he loved you all, as he spoke very highly of you every day. May you find comfort in knowing Frank no longer has to fight his demons and may every day bring you peace.
