“ Dad,

I already miss you so much! I lay at night thinking of you and all the time we had. I know your watching over us now, your with all of are family. I know your not in pain, nothing can hurt you so therefore am fine with letting you fly free dad. I love you always with all of my heart and soul, I can't wait to see you again. To be held in your arms once again, Dad!

Always your baby,  
Nallie xoxo

“ My brother lives with us in memory  
Before our eyes he grew weaker every day  
Doing all we could to save him  
Until God took him away  
Never shall his memory fade  
Our sweetest love lingers forever...
