

Jason "Jay" Michael De Leon

August 19, 1976 - May 15, 2020

Jason "Jay" Michael De Leon went to be with the Lord on May 15, 2020. He was born in Denver on August 19, 1976 to Toby De Leon and Yolanda Ynostrosa. He is preceded in death by his grandmother Anita Ynostrosa and father Toby De Leon. He is survived by his daughter Jae Lei De Leon; mother Yolanda Ramirez; brothers Toby De Leon Jr. and Ben De Leon; grandchildren Zariyah Blu Adams and Christopher Paul Sisneros III; and Godson Santana De Leon. Jay loved the Broncos and did not hesitate to let you know how much he did. Jay also had a passion to cook/BBQ at family gatherings. His family described him as very funny jokester, who was also caring and loving and would check in on those close to him. Another hobby he had, was a love for going up to Black Hawk. He was proud to call North Denver home and will be missed by all who knew and loved him.

Everyone is encouraged to wear Bronco jerseys, or other clothing, the day of his service and celebrate what brought him so much joy. We are all challenged by loss during these unprecedented times. As we get through this together, please remember to be safe, wear masks and other protective items to ensure we can all celebrate his passing and return to our homes healthy.

I know it's your wonderful soul passing by. Rest easy brother till we meet again. I miss you. May God bless and keep you. Brother Jimmy.

“ Uncle, this is all still unreal to me. It was never a dull moment when you were around, joking around and making people laugh was your gift! I've come across pictures from when I was a baby and it was like you were in EVERY SINGLE one of them...you must've been proud to become an uncle! I'm so thankful you popped up last Saturday and spent the afternoon with me and my family. We're going to miss you crazy guy. Please watch over us and keep us safe...I love you

“ There are no words right now that can heal my pain for the Love I've lost. As I scoured your photos I remembered everything from combing your hair to keeping you safe from harm as a big brothers responsibility and now my Life Long Loss. #BIGLITTLEBROTHER

JR - May 19 at 06:16 PM

“ All my thoughts and prayers are with all of our family during this difficult time. We all were blindsided by this tremendous loss. Jason had away to always be the funny guy to make those smile and to be the protector. That was just Jay. All his comebacks and his catch phrases. I will always hold a special place in my heart for the love he shared and spread to others. He loved his baby girl Jayy and he loved his mom and his family with his all. Even if you weren't blood you knew is intentions where solid. He was a poet and didn't even know it. One thing we have to remember is our souls are meant to be free and Jay you had one amazing one and now you are free bro. Gonna miss you bonehead but just know that I got your "Little Big Brother's" back. Prayers up bro
Lisha
