“ Dennis met Linda when he was 15. They were married 3 years later when Dennis was 18 and Linda 19. They built a beautiful life together and loved their children with everything they had. Family always came first for them. The Lord has chosen them to remain that guiding light for their children as they enter into eternal life together. God Bless their children, grandchildren and great grandchildren who are on this earth as a result of the great love Dennis and Linda had for each other.

“ I have so many wonderful memories of time spent with Dennis and Linda. I see their smiles and hear their voices every time I think of them. I love you both and will never stop missing you both. Linda went on many of our sister trips and I always remember stopping at souvenir shops and finally sitting outside waiting for her while she patiently looked and shopped and shopped. Dennis was so easy going and loving. We were all "hita" to him. You will both be missed so much.

“ I cannot begin to describe the love I have for my beloved brother and sister. Linda taught me to drive while Dennis was in boot camp and we spent much time together. I cried when she left to join him in Germany but this led to a long love filled relationship. I cannot imagine not having them in this world: drinking beer in his man cave, sharing a delicious meal, going on our annual bean run, bringing them red chili from Albuquerque, etc. I love you Dennis and Linda and my world will be forever dimmed.
