“ Where do I begin? I have so many memories of my beautiful Lea (aka Mertie). I remember getting our dance on at the Car Club. You were so much fun. Cruising around in your navy blue Buick Regal. You and Leasa picking me up from work, cashing my check and then headed to the Merry-go-round to drink a red beer and get our grub on. There are so many more and that my friend will always bring a smile to my face. I love you Lea and will miss your dearly.

“ Lea is one of the women in my life who earned the title "Auntie," I had to create my own family from an early age and I am blessed to have been loved by such a wonderful soul. Her love and warmth radiated through her smile. I will always remember, "Till the hubcaps fall off!" We shared some wonderful memories. God bless and comfort the family, especially Nickole, Leasa and Eddie. You are in my prayers.
