

Marcus Matthew Pastrana

December 3, 1979 - December 19, 2018

Marcus Matthew Pastrana, went home to be with the Lord on December 19, 2018. Marcus was born on December 3, 1979 to Joan Pastrana and Jesus Pastrana. He is preceded in death by his mother Joan (Marquez) Pastrana; grandparents Frutoso and Guadalupe, Mathias and Orsula Pastrana. He is survived by his father Jesus Pastrana; children Alyssa Pastrana and Jordan Pastrana; siblings Patricia Solano, Deanna Solano, Joan Salas-Chek , Jessie Joe Salas, Melissa Thomas and Demetrius Marquez; nieces and nephews Kristen Moya, Sophia Martinez, Jessica Salas, Victoria Chavez, Gianna Solano, Issabella Martinez, Nadya Solano, Naomi Guigon, Michael Gayton, Dominique Solano, Giancarlo Solano, Demitrius Solano, Santiago Salas, Emilio Chavez, Valentino Salas, David Thomas, Christian Guigon, Adan Guigon, Alfredo Martinez Jr, Issiah Guigon, Demitrius Gio Solano, Vicente Martinez and Emmet Salas.

Marcus was a gentleman with a sensitive soul, who loved his parents, children, family and friends. He was a positive, vibrant person who was always going with the flow and never wanting to make no waves. A tile man by trade but definitely a comedian by choice, lol. Always, willing to help, go for a ride or just hang out. He loved to watch jeopardy and sports trivia. Definitely a sports fanatic who always repped the home team, whether it was the Avalanche, Nuggets, or Broncos! Such a brilliant and versatile person, someone who can talk about current events and then go and hop online, and play PS4 or xbox with his cousins and friends. He listened to every genre of music and knew all the lyrics to every song. Marcus was a dog person too. He loved everyone's dog, especially his dog "my stinky". In conclusion, Marcus "Bunny Fufu" Pastrana will be dearly missed by his children, family, friends, especially those who knew and loved him.

“ Marcus this is the hardest thing I've ever had to deal with and it's still killing the babies and I. You will always be in my dreams my heart and in all my memories. I hate that I just cant call you to see how you're doing or tell you about my day. The kids ask me questions that I dont know how to answer. I do know that we love you so much and miss you like crazy. I will always have your famous movie quotes that we share from every movie to Saturday night live and the kids have all your Beatles cd's and will cherish the music you share with them growing up. Wish you were here to see our children grow up to be something so Amazing like they already are just like you. Love your wife of 15yrs your CHULA xoxo forever and ever babe
