

## Martin Vasquez

May 13, 1996 - August 16, 2020

Martin Vasquez passed away in Denver, Colorado on Sunday, August 16th of 2020 with his brother, Luis, and friends by his side.

Martin (Dys) was born May 13th of 1996 in Denver, Colorado to his loving mother, Jeanna. He was raised with his siblings Luis, Gonzalo, Angelina and Mili. Martin was blessed with two beautiful baby girls whom he cherished.

Martin's greatest joy in his life were his two princesses, Marlena and Malahni Marie. He never passed up an opportunity to spend time with them and be a father. Watching him be an amazing parent was a joy to all who were blessed to know him. He would do anything to provide for their needs and wants. Martin had a close bond with his mom, Jeanna, whom he would do anything for. He was her rock of strength and she was his wings of grace. Martin always had a positive attitude and made people feel welcomed and loved. He was playful with his younger siblings and had an infectious laugh. Martin was a loyal friend, son and brother. He had strong beliefs and was always willing to defend those who were unable to defend themselves. He was someone you could go to when you needed a friend to support you and make you feel loved.

Martin is survived by his children, Marlena and Malahni Marie; mother, Jeanna; brothers, Luis and Gonzalo; sisters, Angelina and Mili; Jazzy; as well as many friends and extended family.

Martin will be meeting other loved ones on his journey in heaven.

“ AJ and Marisa Alexander~ Martin, you were a great kid. When you came to pick up Marleana or drop her off at our house, we always brought you in and fed you. Marleana was always excited to show you her own room at our house. I thank you for trusting us to always make sure she was taken care of. I pray that you have found peace in heaven. You will truly be missed! Rest in peace.
