“ Dad, my fondest and most memorable memory was when you “accidentally” left me at 7-11! You thought I was in the other car and when you got home you realized I wasn't in either car load. Little Stevie got to 7-11 asking me why I was alone and stood with me until you got back to get me. When you got back to 7-11 you swept me in your arms, gave me the tightest hug and was almost in tears! You bought me all the flowers 7-11 had and told me anything I want on our way home you'd stop to get it. I wasn't scared through the whole incident but to see the scare, worry, love, and how much you cared for me, I realized, even though Im not your biological daughter, that you still saw me like your own! We love you always and forever. Soar with the angels!
