“ My mom and dad used to own Demis' Chubbys on Morrison road. I used to shut it down early so all the boys could come in and tag, break dance or eat Chile fries. Nick was dope, he always kept it real and said what was on his mind, but even as kids he was caring. I think of the Moreno boys often and wonder where they've gone in life. I'm proud to see he married a beautiful woman and has created such a beautiful family. My condolences and prayer to you!
