

Paulette Maxine Sanchez

June 21, 1978 - August 9, 2019

Paulette Maxine Sanchez, 41, of Aurora, Colorado passed away on August 9, 2019 and joined her sister, Sherry Sanchez Hill, who preceded her in death 5 years prior. These two beautiful sisters are now Angels in Heaven along with their Father, Max William Sanchez. Paulette was a vivacious soul who changed people's lives with her generous heart, had an enormous passion for life, possessed a smile so big that it would embrace any soul, and was well known for her quick wit and infectious laugh! She made everyone feel right at home no matter the setting. Paulette was also one of the most approachable individuals in any situation.

She loved her family more than can words can say... But her greatest treasure was being the mother of Angelica Sanchez Medina! No number of awards she earned as a Director of Admissions at Corinthian College (with endless accolades and historical sales records from day one) could come before her loyalty and love for her daughter. Paulette was the most loving, supportive and giving mother to Angelica for 22 beautiful years. If anyone earned the Mother of the Year Award, she earned the Mother of Two Decades Award!

She is survived by daughter Angelica Sanchez Medina; her mother, Julia Sanchez; siblings, Julie Ann Sanchez and Max William "JR" Sanchez II; nieces, Marina Esperanza Sanchez Douglas, Adriana "Marisa" Sanchez Douglas and Eva Sophia Sanchez; nephews, Jalen Santino Sanchez, Andre Sanchez Hill, Darnell Hill Jr., and Aaron Scott.

Matthew 6:21 says it all when it comes to Paulette, "For where your treasure is, there your heart will be also." She treasured her entire family and especially her daughter. It showed in the abundant love she poured into them her entire 41 years. Rest in peace beautiful angel because what a caterpillar perceives as the end before getting its wings (like you on this earth), the newly born butterfly's life has just begun. So spread your angel wings and ascend to a new heavenly life.

When our final day comes on this earth and we transform, we have faith that we will not be alone... for you will be waiting for each and every one of us with your big smile, open

arms and four inch RED stilettos to “Welcome Us Home.”

“ I would like to share a memory about a young girl that I met when she was only 17 but when I first met her, her mannerisms And the way she presented herself was much more mature Than her 17years and I was very impressed with her instantly. I got to know her much better as I worked with young 3yr olds and she would be there on Occasion To help me and thinking back I could tell then that one day she would be a wonderful loving mother and I was right!! From all that I heard and hear now that she was in deed a wonderful mother to her daughter, Angelica, and Angelica you will hear a lot of memories about your mother that will warm your heart now and always. Put your hand on your and think of your mother's love and she will always be with you.

I knew her for a short time but the time I knew her I remember her being a very sweet and polite young girl, someone I will remember the rest of my life. My condolences to You Angelica and all of her family and friends and feel comforted that she is with us in our hearts as long as we think of her beautiful face and smile for the rest of our lives.

Rest In Peace sweet Paulette
