

Pete Alex Hernandez

May 21, 1984 - August 8, 2021

Pete Hernandez born on May 21, 1984. Went home to be with the Lord on August 08, 2021.

He is survived by his wife, Davina Hernandez, his seven children; Alex, Genevieve, PJ, Marcos, Elias, Sebastian and Bernadette. His mother, MaryAnn Hernandez, his father Guadalupe Hernandez, and his four brothers and sisters; Audrey Yazzie, Lilly Yazzie, Marcos Hernandez and Carlos Hernandez.

Pete was a hard working, dedicated man who excelled at the Marriott Hotel, where he worked as a maintenance supervisor. Pete had a passion for cooking, history and knocking people out. He was our family's protector. We always came first in Pete's eyes. He made sure we were taken care of and our house wasn't just a house, but a home. He educated our children on many things, but most importantly, gave them unconditional love. Pete was quite the character, highly intelligent and sarcastic. He loved to tell the story about his stay in jail. He went before the judge and the judge said " I bet you miss your moms cooking". Pete replied " no, your honor, I miss my sisters cooking." Crazy Pete, such a free spirit. He was known to carry a knife and yell " Eastside duece seven." Just another way to clown around and make us laugh. He was the life of the party, never a dull moment. His personality and sense of humor were one of a kind. The love he gave was one in a million. He was a once in a lifetime man. Pete will never be forgotten and will forever be missed.

“ Pito, I remember when you would make me draw Fred Flintstone every day when you were a little boy. I painted you one like a week before you left us. Im so happy that I was able to give it to you. you were so happy you loved it. You didnt want anyone to touch it. I got to see your smile and hear your laugh. Thats what I will always remember. There was a letter that was supposed to go with it but you were so excited I forgot to give it to you. I will get it to you. I love and miss you so much it hurts to breathe.
