“ My heartfelt sympathy is sent to each and everyone whose heart is breaking. Mona will be missed by all those who had the pleasure of knowing her. I cannot pick out a memory to share because after 49 years of friendship my heart and memory are overloaded with happenings in our lives which almost always ended in laughter. Funny thing, our worst predicaments were even laughable, some took more time to actually find humor though. It was always hard to goodbye when we were together, whether on the phone or in person, and it's impossible for me to realize that she won't be telling me she was gonna 'kick my ass'!! As for the 'Superbowl Pool' ... that speaks for its self. It's right there next to her Broncos! Will always remember our trip to Black Hawk. Awesome couple of days.
I could write a book on just some of our experiences. I Love her with all my heart and miss my best friend.

“ My deepest empathy for the loss of your dear Mother, grandmother, and great-grandmother. I know she will be dearly missed. I have many memories of her in our younger years....She was always so much fun to be around, and wathing her beat almost everyone she played a game of pool with, was just amazing. Her & your father were inseprable. I can't remember anytime I ever saw them alone without the other. She is at peace now in the arms of Jesus & at your Father's side, no doubt. May Our Lord Jesus & His Holy Mother Mary give you comfort & peace for your broken hearts. I know she will always be watching over you with love & compassion.May Mona rest in peace forever....

“ A most loving, caring, sometimes feisty soul. Very brave and loyal to the core. We love you so! I remember when I was growing up, she ran a cake business from her home, and if anyone ever needed a Bronco's cake for game day, she always had 'em covered! Thank you Auntie Mona. You are amazing and an inspiration!
