“ Robert's death but yet happy that his wonderful soul is finally at peace! I recently quit drinking and it was by far the hardest thing I've ever done, and ended up in the hospital with seizure. And i thank you "V" because I know you were there with me! helping me through it the whole time! you're such a wonderful soul that even after passing continue to help me! I was blessed to have you as a friend and I will keep you in my heart everyday! And I promise to live a happy, healthy and thankful life in honor of you! Love always and forever! DeAndre

“ You lived your life with a pure heart. Pouring good and love into this world. The definition of a self-sacrificing person whenever you possibly could. I am assured that you have found peace and you will always be a reason for me to keep on pouring love into this world.

“ Robert, I will miss you very much! As an adult, he always spoke calmly, respectfully and was always happy. When he was about 3 years old, he had a new pair of tennis shoes. He called them his "fast" tennis shoes. I commented those were pretty shoes and Robert said" and they are fast, too! He asked me if I wanted to see and I said "Yah." He took off running really fast and when he came back, I told him that was really fast. Robert asked: "Do you want me to do it again?" I said "Yah" again. I had to stop him after awhile because he was getting tired. I always thought it was so cute and when I would see him I would retell the story. He would just smile. MAY THE LORD BE WITH YOU, ROBERT. MAY YOU REST IN PEACE. LOVE YOU, UNCLE JOHN.
