“ Uncle , it's so hard knowing your really gone and not coming back.. you will be truly missed by me and the boys each and everyday, we'll never forget how handy you we're playing tetris in the u-haul's when we'd move .. you helped me move into my home.. helped me fix everything, and on boring nights we'd always get together and share some drinks and jokes while we'd play 10,000 and bones.. I sure will miss those crazy silly nights of ours.. please watch over us and know we love and miss you so very dearly already.. thank you for the amazing wonderful great years,
Love always,
