

Shane Austin Rivera

November 13, 1966 - December 21, 2021

Shane “Shane’O” Rivera was born in Alamosa, Colorado to Connie and Gilbert Rivera on the 13th of November 1966. He entered eternal life on the 21st of December 2021. He is proceeded in his death by his mother, father and grandparents. He is also survived by his siblings, Mona (Steve) Beaudoin and Marc (Sandy) Rivera, his children Phillip Rivera, Derek Rivera, and Shanna (Vinnie) Baca, his grandchildren, Jiselle, Julian, Vincent, Valentino and Leilani.

Shane was known as a social butterfly as he enjoyed making conversation with anyone. He would tell stories and reminisce of old times. No matter how many times you heard the same story, he had a smile on his face and his eyes lit up. You would never come across a person like Shane. He would give to others even when he didn’t have much himself. He had so much love to spread and enjoyed time with any and everyone, even if it was just fishing at a nearby lake. He loved fishing and had every fishing pole color that you can imagine. Fishing was a hobby he grew to love and live for.

His kids and grandkids were the light in his life, if he can show them off to the entire world he would. Shane was a one-of-a-kind soul. We will always remember Shane for the loving kind soul he was.

May he Rest in Peace.

“ Shane was the father to my two oldest sons Phillip and Derek. I remember how he loved to take them to the park and play with them. I also remember how he loved to read the newspaper when he was younger. We shared good times and bad times together, but no matter what we always remained friends. I will miss how he used to call me Joan instead of Joann. I never knew anyone as well as I knew Shane. We did a lot of growing up together. I want to thank his sister Mona for being there for his kids always. Well Shane'O' until we meet again I hope you have lots of time to catch all the fish you want. Thank you for the two beautiful sons we had together. We love you and always will❤️
