

Stephanie Castro

November 9, 1984 - November 20, 2020

Our beloved Stephanie Castro earned her angel wings on November 20, 2020. Her journey into life began on November 9, 1984 to Charlie Castro and Bonita Dunlap in Denver Colorado. She is preceded in death by parents; Charlie Castro and Bonita Castro, sister; Coleen Castro, grandparents; Richard Dunlap and Maria Dunlap. She is survived by her only child; Charlie Castro, siblings Bernadette Castro and Tiffany Castro, nieces; Ai'yana Castro, Ilia Reneau, Ariya Acuna-Castro, Khalila Acuna-Castro, and nephew Za'nais Reneau.

Stephanie Castro loved working with children and that was a reason she became a teacher. Her son was her drive, she would do anything for that boy. She loved to spend time with her family and friends. Don't forget partying, she loved to party!

Stephanie was very outgoing, she had the loudest and most affectionate laugh. As soon as she walked in she would light up the room. Stephanie was known by many people. She had a great personality; she was always happy, very independent, responsible, and always willing to help. She would give the shirt off her back. Our angel from heaven will be truly missed by all of those who knew her.

For the day of the service, please feel free to wear purple, she loved purple and it would be a last token of honor to show her love this way.

“ Aww Steph, I am still in disbelief! I remember when we first met. You and my brother were talking and my son was 4. He will now be 21, unbelievable we've been friends this long. Remember we hung out and he called you his girlfriend? Lol I always told you to give me your clothes when you were ready to recycle them, you were always dressed to impress. Damn I'm going to miss your face and that smile! Fly Free Sweet Angel! You will ALWAYS be missed and loved!
