“ Freida and Chuck,

I just learned of Yvonne's passing. I am a childhood friend, Anna Feemster (Leal). I am incredibly heartbroken to hear about her passing. She always had such a great laugh and a happy disposition its very hard to understand. I haven't seen her in a very long time. I remember all the fun times she and I had growing up. She always made me laugh. She was incredibly smart and a very good athlete, I always admired her. I am sending heartfelt prayers and condolences to you. It was an honor knowing her and calling her my friend.

God Bless.

Anna

“ First of all I want to express my deepest condolences to those who were soo close to Yvonne's heart, her mother Frieda, father Chuck and Nancy! Yvonne and I go way back as I grew up with her and her older sister Mary, who was my best friend in elementary school....Cheltenham! She was the outgoing little sister who was always around us, getting into our biz, but was always welcomed, I hadn't seen Yvonne in years but had always ran into Frieda, I always asked for the girls :)soo sad that we didn't remain close, that's the way life goes sometimes....but your family did remain close to my heart and Yvonne may you rest in peace with your sis!! I'll stay close to your mama :(luv u all forever....childhood friend Loretta

“ I met Yvonne when she started working at the Vehicle Impound Facility. We immediately knew that we had to be the same age because we loved and knew the words to all of the same music. We talked about everything 70's & 80's and discovered that we had both attended the Prince concert in 1979 at the Rainbow Music Hall and that we both still had our ticket stubs. Yvonne was Awesome to work with, she was full of energy and always willing to help out.

Rest In Peace Yvonne...
